

CROXLEY REVELS

STALLHOLDERS NOTES

-

- The space denoted is the width of the pitch.
- Depth is approx 18 feet.
- All activities must be confined within the booked space.
- The Society will provide the space and each applicant will be responsible for providing their own equipment i.e. gazebo, table, chairs etc.
- The stall holders will be expected to clear their own stalls and to take away all remnants of their activities including **litter around their stall** at the close of the Revels.

SETTING UP – Stall holders may begin setting up their stalls from about **10.00am**.

For safety reasons, all vehicles used for servicing the stalls must be cleared from the site before 12.00 pm and may not return until the Revels are declared closed (approx 5.30 pm or when the pushball competition is finished).

No individual PA systems are permitted.

The organisers discourage alcoholic prizes and would urge the participants to provide a mix of attractions with prizes to suit a wider range of ages. In any event, alcoholic prizes must not be given to under-age winners.

No unauthorised collection is acceptable. Licensed collectors are organised by the Croxley Revels committee.

The Revels organisation reserves the right to refuse entry to any unauthorised stall or attraction.
